# Fine-tuning of the Common Regional Framework for development of regionally- based standards of occupatons

Belgrade, 15<sup>th</sup> May 2019

Tina Šarić

Towards regionally-based occupational standards – TO REGOS; Project of the Western Balkans Alliance for Work-based Learning, funded by the Austrian Development Agency with funds from the Austrian Development Cooperation

# Content

- **Presentation of the Common Regional Framework developed so far**
- **Presentation of the Template of the Regionally-based Standard of Occupations**
- **Open questions to be discussed**

# Common Regional Framework – Guiding principles

- **Representative sample at national levels**

National procedures for national standards of occupations include:

- Chambers of commerce, business clusters, Union of employers, VET centres
- 5 – 12 business representatives (Workers and supervisors)
- Micro, small, medium and large enterprises
- Representatives of education sector

- **Input from the business sector at national levels**

- Polls or surveys, structured interviews, DACUM and functional analysis

# Common Regional Framework – regional activities (to be discussed and defined)

## 1. End result at national level:

- To use the common template for occupational standards agreed upon
- To consult with the business experts
- To fill in the emplate in English
- To submit to the ERI SEE Secretariat (at least two weeks prior to the date set for the regional meetings)

## 2. Regional Meetings:

- To define the representative sample at regional level (how many business representatives, how many education representatives, composition, criteria)
- To define the decision-making process/methods on reaching consensus on national inputs received from economies
- To reach consensus on the content of regionally-based standard of occupation
- To include gender equality, sustainability, social inclusion issues
- To involve external expert/s moderating and/or providing additional input into the discussions and decision making process
- To define the duration of the regional activity

# Discussion

- Focus on regional activity defining regionally-based standards of occupations
- 6 different national standards of occupations to be merged into 1, regionally-based
- Methods of working?
- Business sector and education sector representatives?
- Criteria? Numbers?
- Additional elements
  - Gender equality
  - Sustainability
  - Inclusion

# Template for the regionally-based standard of occupations
